

Descendants of George Dorey Later Generations

These are the descendants of George Dorey and Charlotte Bellefontaine Petitpas beginning with the fourth generation. George was born in 1810 in Jersey, immigrated to Nova Scotia (NS) with his parental family sometime before 1816, married twice in Arichat (the second time to Charlotte), and died in 1883 in West Arichat. George was the brother of my great great grandfather Philip Cyrus Dorey.

The first three generations are detailed at

<http://www.susandoreydesigns.com/genealogy/dorey/doreygeorge.html>.

I gratefully acknowledge the contributions made by the members of the Isle Madame Family History Group, without whom this document would not exist (for lack of data).
